

Aqua Shine

Reorder No: 1084

What is Aqua Shine?

A liquid deep penetrating detergent that will remove heavy dirt and road film from painted and aluminum surfaces. Will promote oxidation removal while leaving a sheen on the vehicles surface. This product is ideal for truck wash operators who are looking for a product that is both heavy duty and will not in any way harm polished aluminum. This product is formulated especially for touchless systems, allowing for easy rinsing and quick turnover time of vehicles, however, Aqua Shine is also extremely effective for use through both cold and hot water pressure washers for both upstream and downstream applications. Leaves behind a bright, spot free surface.

BENEFITS:

- Versatile enough for both touchless systems as well as pressure washers.
- Special quick rinsing formula that allows for quick turnover of customers.
- Safe for use on all surfaces including aluminum.
- Quick & easy rinsing.
- Leaves a deep shine on all surfaces.
- After drying, vehicle will be spot free.

DIRECTIONS FOR USE:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read SDS and test in a small inconspicuous area. Recommended dilutions are 60-100:1. Consult your local McHenry PCS Representative for specific use instructions. Make sure to use proper protective clothing when applying this or any chemical.

AVAILABLE PACKAGES:

- 1084-5: 5 gallon plastic pail
- 1084-55: 55 gallon plastic drum
- 1084 bulk: bulk tank program

ADDITIONAL INSTRUCTIONS:

- Always predilute product before applying
- May cause streaking if not used properly
- ⊘ Do not allow to dry on surfaces
- ⊘ Do not use in hot sun
- ⊘ Do not use on unprotected polished aluminum

TECH SPECS:

Color	Yellow
Fragrance	Citrus
Form	Liquid
Phosphates	None
Flash Point	212°F
pH	12.5
Specific Gravity	1.03
Viscosity	Thin
Foam	High
Biodegradable	100%
Shelf Life	1 Year
